CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

..title

AN ORDINANCE related to elections; limiting independent expenditures by foreign-influenced corporations and contributions to independent expenditure committees and clarifying reporting requirements; amending Sections 2.04.010, 2.04.260, 2.04.270, 2.04.280, 2.04.360, and 2.04.370 of the Seattle Municipal Code; and adding a new Section 2.04.400.

..body

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council hereby makes the following findings of fact:

A. Independent expenditure committees are a growing phenomenon in local elections and in Washington State.

B. Large contributions to independent expenditure committees pose the risk of corruption or the appearance of corruption, even if the independent expenditure committees do not coordinate with political campaigns.

C. Current laws allow donors to circumvent limits on contributions to candidates by making unlimited contributions to independent expenditure committees.

D. Independent expenditures in Seattle’s 2017 election were more than double the amount of independent expenditures in 2013, the previous year with a Mayoral election, according to data collected by the Seattle Ethics and Elections Commission.

E. To protect the integrity of Seattle’s democracy, it is necessary to place limits on contributions to independent expenditure committees

F. The United States government has concluded that the 2016 presidential election was subject to extensive foreign involvement, as set forth in the U.S. Director of National

1 Intelligence’s January 2017 report on “Assessing Russian Activities and Intentions in Recent US
2 Elections.”

3 G. The United States government has concluded that Russia, China, Iran and other
4 foreign actors are engaged in ongoing campaigns to undermine democratic institutions, as set
5 forth in the joint statement “Combating Foreign Influence in U.S. Elections,” issued by the
6 Office of the Director of National Intelligence (ODNI), Department of Justice (DOJ), Federal
7 Bureau of Investigation (FBI), and Department of Homeland Security (DHS) on October 19,
8 2018.

9 H. The FBI has concluded that foreign influence operations include “criminal efforts to
10 suppress voting and provide illegal campaign financing,” as set forth in FBI Director Christopher
11 Wray’s press briefing on election security on August 2, 2018.

12 I. The United States Congress and the U.S. Supreme Court have recognized the need to
13 protect U.S. elections (including local elections) from foreign influence through the ban on
14 contributions and expenditures by foreign nationals imposed by 52 U.S.C. 30121 and upheld by
15 the Supreme Court in *Bluman v. Federal Election Commission*, 800 F. Supp. 2d 281 (D.D.C.
16 2011).

17 J. Current law does not adequately protect against foreign interference through corporate
18 political spending by U.S. corporations with significant foreign ownership, as explained by
19 Federal Election Commissioner Ellen Weintraub in her July 19, 2017 statement “How Our
20 Broken Campaign Finance System Could Allow Foreign Governments to Buy Influence in Our
21 Elections and What We Can Do About It.”

1 K. Federal law and academic literature on corporate governance recognize that a single
2 shareholder owning one percent or more of shares may be in a position to influence corporate
3 decision-making.

4 L. Corporations with foreign ownership have been politically active in recent years,
5 including in local elections around the country.

6 Section 2. Section 2.04.010 of the Seattle Municipal Code, last amended by Ordinance
7 124694, is amended as follows:
