Hello Nikki,

That is correct, I don't believe the units were pulled from service; however, we will check them during PEM.

Thanks,

Thanks, John.

The 3 issues with "no details" - 2190, 2216, 2229 - have details in ElectionAlly - they are all reports of "vote flipping."

Shafiq, do you know what happened to the units in those tickets? Did voters continue to use them or did they get removed from service? I assume that they will be flagged and checked during post-election maintenance. Is that right?

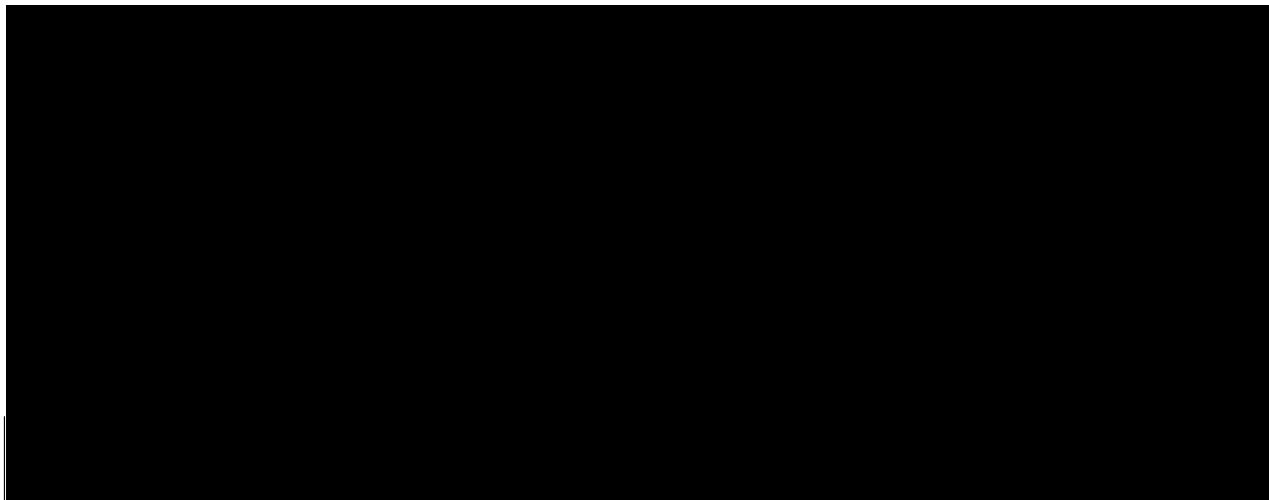

Nikki

Hello Nikki,

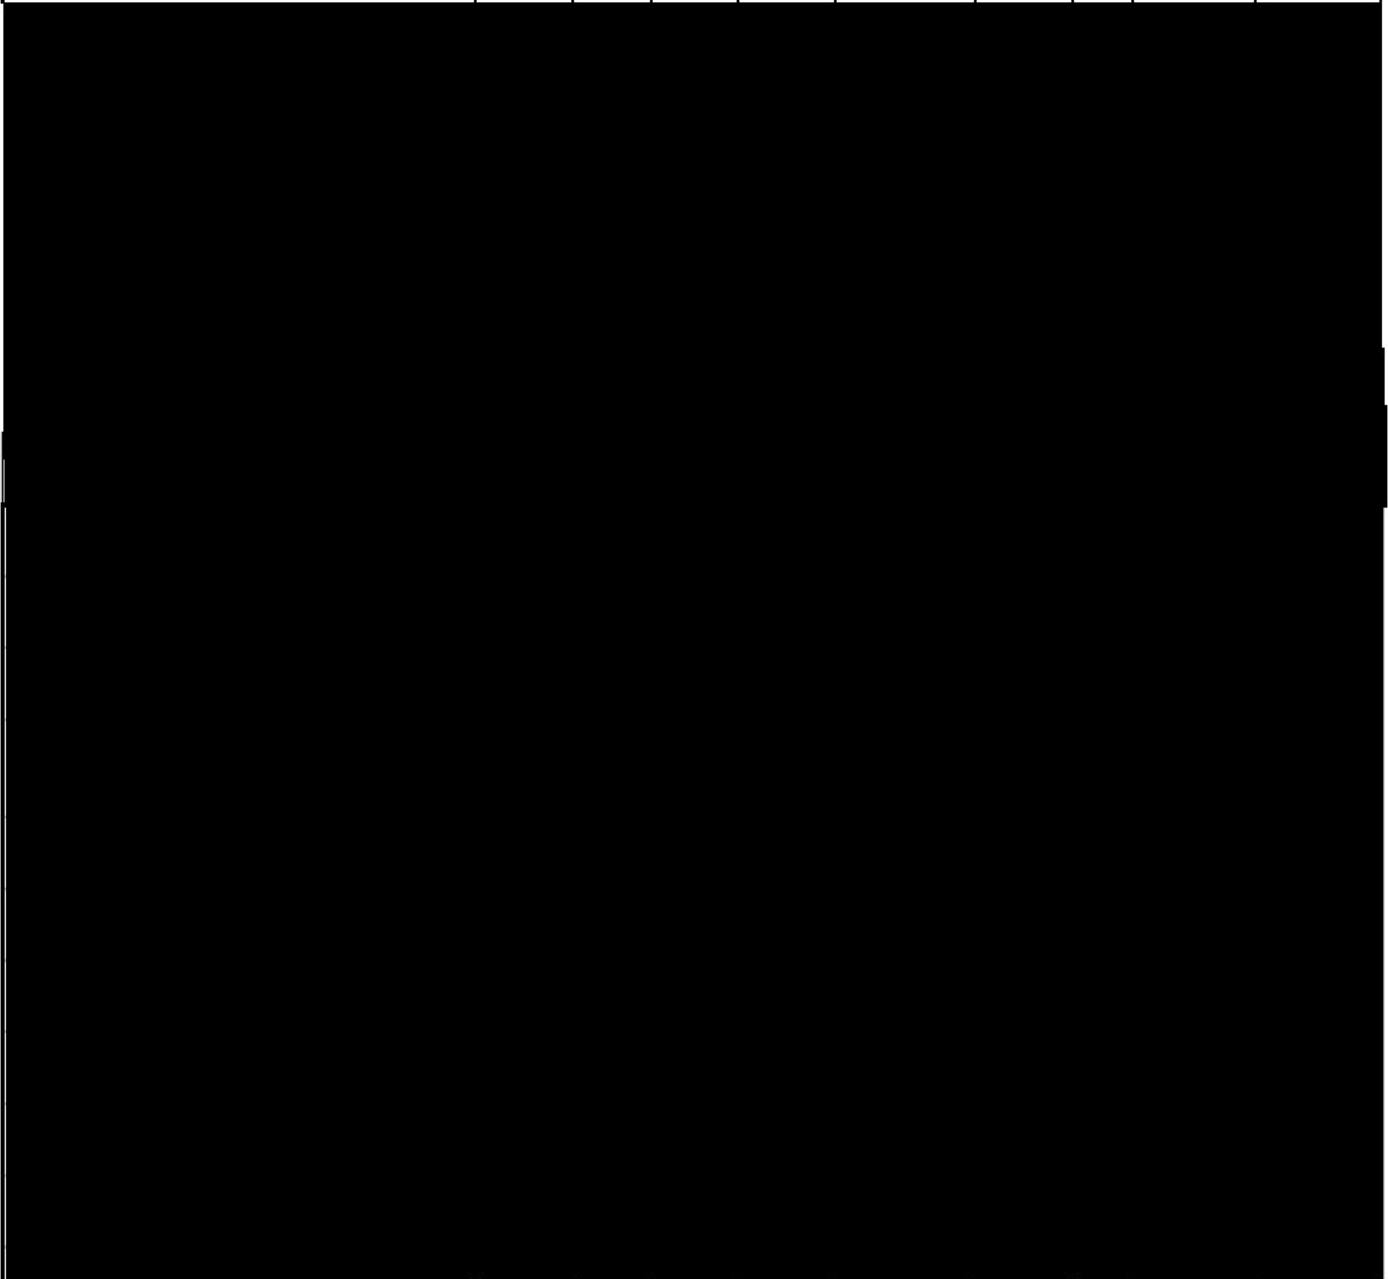

Per your request, I organized the Election Ally tickets into a Summary and Detail tables. Some of the commentary was cryptic and I used some discretion in categorization and descriptions. I attached the data I used.
