**OBJECTOR ANDERSON’S MOTION FOR SUBSTITUTION OF JUDGE**

OBJECTOR-PETITIONER Steven Daniel Anderson, by his undersigned counsel, move for a substitution of judge as of right pursuant to 735 ILCS 5/2-1001(a)(2), thereby transferring this cause from Judge Marcia O’Brien Conway to the presiding judge for reassignment, and in support of this Motion, state the following:

Under 735 ILCS 5/2-1001(a)(2)(i), “[e]ach party shall be entitled to one substitution of judge without cause as a matter of right.” Objectors have not previously moved for a substitution of judge in this case and therefore are entitled to bring the instant Motion.

This Motion is timely. Under 735 ILCS 5/2-1001(a)(2)(ii), a motion for substitution of judge as of right “shall be granted if it is presented before trial or hearing begins and before the judge to whom it is presented has ruled on any substantial issue in the case . . . .” Objector Anderson

submits this Motion before trial or hearing has begun, and before Judge Marcia O'Brien Conway has ruled on a substantive issue in the case.
