Dear Chair-Rapporteur Viljoen,

Please see the enclosed statement of support for the complaint submitted to your office on 22 September 2025 by the Dolores Huerta Foundation on behalf of U.S. citizens Cary Alvarado, Cristian Cerna, Andrea Velez, and Javier Jimenez to the U.N. Human Rights Council, pursuant to Council Resolution 5/1.

The statement of support is issued by Free Speech For People, a national non-profit non-partisan organization in the United States. Our organization works to defend United States's democracy, and protect the rights and freedoms of those who reside here. The United States Government is abusing the human rights of the people it is obligated to represent and protect. State-sanctioned violence against civilians is fundamentally at odds with democratic rule and in violation of the Universal Declaration of Human Rights.

For the reasons stated in the enclosed statement of support, we strongly urge the United Nations Human Rights Council to open a formal investigation into the complaint submitted to your office by the Dolores Huerta Foundation.

Sincerely,

Courtney Hostetler, Legal Director

Ben Clements, Chairman and Senior Legal Advisor
